2) Certificate Track Paper (5 pages) — The Antichrist: A Biblical Case Review

Assignment

Write a 5-page paper (double-spaced) proving from Scripture that the Bible’s “antichrist” language refers to first-century/ongoing doctrinal opposition—not a single end-times political ruler still awaiting arrival.

Required Texts to Use (minimum)

You must interact meaningfully with these passages:

- 1 John 2:18–27
- 1 John 4:1–6
- 2 John 7–11

You must also use at least three of the following:

- John 1:1–3; 1:14; 1:18
- 2 John 9
- Colossians 2:8–10
- 2 Thessalonians 2:1–12 (distinguish “antichrist” from “man of sin/ lawlessness”)
- Matthew 24:4–5, 11, 23–24 (false christs/false prophets)
- Acts 20:28–31 (wolves; doctrinal danger)

Required Structure (use these headings)

1. Introduction (½ page)

State the thesis clearly.

2. Define “Antichrist” Biblically (1 page)

Explain what John means by the term, including the plural “many antichrists.”

3. Textual Proof from John’s Epistles (2 pages)

Show why John’s markers (“now,” “already,” present deceivers) rule out a purely futuristic view.

4. Common Premillennial Claims Answered (1 page)

Address at least two common claims (e.g., “Antichrist = Revelation beast,” “Antichrist = man of sin”).

5. Conclusion (½ page)

Summarize the argument and explain why the issue matters doctrinally.
